Leach Cross then retired from the ring and renewed his dental work in Hollywood, Cal., later erecting a beautiful apartment building, called the Cross Arms, in the heart of Hollywood, which he managed himself. In 1930, after he had lost all his money in the financial crash of the stock market, he came to New York and there resumed his dental practice and also worked for the boxing commission as a judge.

JOE GRIM

(Saverio Giannone)

Born, Mar. 14, 1881, Monetello, Avellino, Italy. Weight, 130-165 lbs. Managed by Lew Bailey. Grim had one of the most remarkable records compiled by any fighter. He competed in more than 300 contests, from four to twenty rounds from 1902 to 1913 and during this time he was knocked out only three times though the greatest fighters of the day tried to accomplish this feat. He was floored more often than any other fighter, but because of his dur-

ability he always came up again fighting and asking for more punishment—truly an "Iron Man." He never kept a record, hence the impossibility to obtain all his bouts. Those listed here are the most complete ever compiled. They are taken from press clippings and from records of men whom he fought.

*In the original official decision of the referee and judges, Giardello was awarded the verdict as follows: Judge Shortell, 7 rounds to 3 and 10 points to 4 for Graham; Judge Agnello, 6 rounds to 4 and 7 points to 4 for Giardello; Referee Miller, 5 rounds to 4 for Giardello and five points to each.

Commissioners Christenberry and Powell, after the decision was rendered, changed Joe Agnello's score card which resulted in awarding the verdict to Graham. On Agnello's score card, one extra point was awarded by the Commissioners to Graham in round four and the tenth round was taken from Giardello and given to Graham who also received two points in that round. Thus the score was changed to give Graham the official split decision on the basis of the revision of Agnello's card by the Commission to read, five rounds each with Graham ahead in points, 6 to 5, thereby reversing the original majority decision of the judges and referee.

When the case came before the State Supreme Court, Justice Botein ruled that the New York State Athletic Commission had no right to reverse the scorecard of the official and decided the actual decision to be the one originally given, in favor of Giardello.
